This year's Varsity Football team finished second in the Metro Conference. The Mustangs allowed only two touchdowns in six league games as they compiled a 5-1 league record. The team's overall mark of 5-3-1 was the result of unselfish effort by all players. All Conference selections Jim Roemer, Scott Valentine, Dave Schmidt, and Jamie Jones were some of the members of this hardnosed group.

Seniors Joel Fickel, Eric Lantz and Steve Briney led a talented offense. This team's biggest asset was an excellent attitude and spirit which allowed them to be competitive.

The best statement to describe the Mustangs 1985 soccer season was "How close can you get!" The final record for the team was 12-6. All six of the losses were by a single goal. No team scored more than two goals on the solid Mustang defense all year. In the final game of the season, the team was defeated 2-1 by the eventual state finalist Bishop Foley. Hard work and intensity typified this year's team. This hard work paid off in the end when the Mustangs earned a state ranking for the first time. Jeff Lesnau anchored the defense while John Arndt and Steve Schoon were the main offensive threats.

HIGHSTEPPERS

1

The High Stepper Squad provides half-time entertainment at home varsity football and boys basketball games. In an ever-increasing effort to perfect their skills and use their talents to the glory of God, several members of the squad attended a four day dance camp at Oakland University during the summer of 1985. The camp was sponsored by the National Cheerleading Association and was attended by over 450 girls from 40 schools. The thrill of performance, the mastering of technique, and the development of life time friendships were just a small part of the overall experience gained at camp. Camp was a true learning experience allowing the squad the opportunity to develop its style, precision, technique, and performance level. For their efforts, the girls were awarded the Sweepstakes Trophy, the highest honor given. In November, the squad was invited to be guest performers at a pom pon exhibition hosted by Eisenhower High School of Utica.

A continuing commitment, that's what this symbol stands for.

The symbol of Aid Association for Lutherans may look like a mere group of dots to you. But to us, it represents something very important: a continuing commitment to our basic purpose. That purpose is "to enable Lutherans and their families to aid themselves and others."

We do this in a variety of ways. Every year, AAL benevolence programs help literally thousands of people on national, regional and local levels.

AAL insurance products also are expressions of our commitment. We help Lutherans and their families plan for their financial futures through life, health and retirement insurance.

So when you see this symbol, look beyond a mere configuration of dots. Think of a continuing commitment, first made in 1902. Thank of AAL.

Kim -

Hi ya
sweetie! I'm
sure going to miss
you come next year, but
remember that it will
be your last year, and you
live it up!!! I hope that your
last year will be the best for you
and that all will go right and know
one will give you any shit!! (If they
do Sheila will be there to kick ass!! HAHA).
I hope and pray God will bless you in
all you do for the rest of your life! And
remember if things get tough out there in the
cruel world, when you're out of school, just fold your
hands and say a prayer and no matter how big or
small the problem is, God will be there to help you!!

Hello darlin'!♡
I'm so glad I met you
2 years ago 'cause you're
the sweetest girl on earth! I'm
sorry we're not as close as we were
freshman (shitty word, eh!♡) year. I had
alot of fun with you, 'cause you're really
special to me and dear to heart (how pitiful!)
But, maybe next year we can get
really close again (oooh!♡ finally!) Well,
I think I better slow down, because
(oops! sorry!) I'm getting down to
almost nothing (almost no room
left!♡) Well I better go now!♡
"88" rules Still love ya dearly

Kimmy,

You're a really cool and bizarre chick! Don't ever change! I'm real glad we have become such good friends over the past couple of years! I hope we stay good friends even after I graduate. We are ultimately going to have to go out and party real soon. Seniors Rule
